

QUEENSLAND welcomes 2016!

We hope you had a wonderful time with family and friends during Christmas and New Year. A new year is a time when goals are set, opportunities are sought and adventures are embarked on. HKABA (QLD) wishes you success and prosperity in the year ahead.

Recapping on the eventful 2015, the Queensland Chapter was delighted to be the supporter of a Queensland business – Acchoir's private investor event in Hong Kong where they introduced the prodigious investment opportunities that Brisbane has to offer. Finance expert Ms Peta Tilse of Instodeal and ABC Radio set the scene for investing in Queensland and presented on the outlook for growth and opportunities ahead for investment.

Highlights of the event also include Acchoir's insights on property investment and exclusive networking opportunities. Event sponsors of the evening include Instodeal and Jarressa Wines. It was great to see a cohort of Brisbane's professional network including Mr Richard Marsden of MGD Wealth and Ms Kathleen Conroy of Gadens whom has flown over to support our event.
