#### **SPOTLIGHT** - FOOD AND WINE APPRECIATION DINNER

The Food and Wine dinner was indeed a night to remember. The event was held at the lovely River Edge Events venue located at the World Trade Centre. The venue was facing the river and had ample room to accommodate approximately 200 members and guests.

T he special guest for the night was Jeremy Oliver. Jeremy is an independent wine writer, educator, critic, commentator and presenter who can deliver a corporate message through the medium of wine. Jeremy chose a selection of wine for the night and expertly expounded the uniqueness of each wine selection. It made the wine tasting that much more enjoyable. The food was delicious and Jeremy was a genius in selecting the appropriate wine to go with fine Asian cuisine.
